

Bounty Campaign

Whitepaper
2018
version 2.1.1

Bounty Campaign Terms & Conditions

This document is part of Terms & Conditions for ZEW Tokens acquiring published on our web-site <http://ico.zeew.eu> and/or <http://zeew.eu> and by completing forms for participating in Bounty Campaign you are agree to it.

It is understood that when applying for enrollment in our Bounty Campaign, by completing the forms, you are aware and agree to all Terms & Conditions described in this document.

Completed tasks entitle the participant to receive the ZEW Tokens in the proportion indicated in each Bounty Campaign section.

It lies in ZEEW sole discretion to decide whether or not the criteria to receive ZEW Tokens are fulfilled.

After the end of the ICO Campaign we will send an email report to all participants of The Bounty Campaign with the validated actions.

The ZEW Tokens balance will be sent to Ethereum address provided upon registration, proportionally to your participation and reward in each section.

The tasks will be checked weekly, that is to say, if you do not complete all the activities of a section in a given time, your reward will not be validated.

To have your participation validated you must follow the terms for each section included in The Bounty Campaign.

Due to high workload delay in final transfer of Bounty ZEW Tokens is possible, please allow up to 1 week after ICO Campaign ends for final settlement. In this document time is given and will be used as UTC+2.

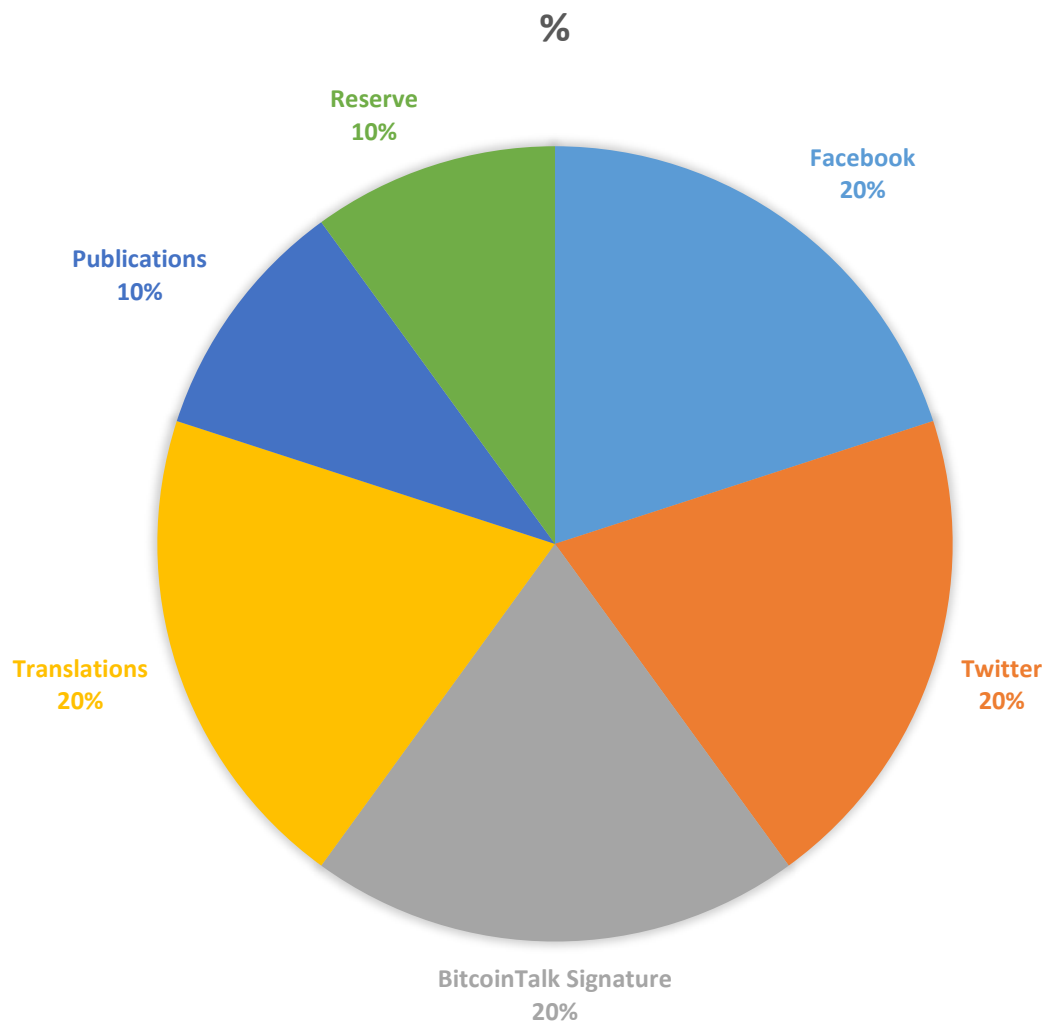

Important Notice!

The ZEW Tokens have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”), and may not be offered or sold in the United States or to or for the benefit of US persons (as defined in Regulation S under the Securities Act) unless they are so registered, or an exemption from the registration requirements of the Securities Act is available. One such exemption allows the resale of ZEW Tokens purchased for their own account and for investment purposes only by investors who (i) are not otherwise affiliated with the ZEEW, (ii) have been exposed for some time to the economic risks that ownership of ZEW Tokens entails, and (iii) are not part of the distribution of the ZEW Tokens.
